DRAFT

PROPOSED AMENDMENT

Honorable Commissioner of Patents,
Washington, DC 20231

Sir:

In response to the Office Action dated March 2, 2001, please amend the above identified application as follows:

IN THE CLAIMS:

Please amend the claims as follows:

36. (Amended) An apparatus for processing a master in conjunction with a supply of a first feed material and a supply of a second feed material, at least one of said feed materials carrying a layer of adhesive, said apparatus comprising:

a frame having an outer shell including (a) a lower outer shell portion having downwardly facing surfaces constructed and arranged to placed on a substantially flat support surface for supporting said apparatus and (b) an upper outer shell portion movably connected to said lower shell portion for movement
